As the head coach at UW-Stevens Point, it gives me great pleasure to invite you to our summer camps.

I encourage you to enroll early as camp will be limited to the first 120 campers.

My staff and I are excited to work with you throughout the six sessions of camp. Many of the UWSP players will be serving as coaches and counselors during your camp experience.

Each camper will participate in offensive and defensive skill development, 3-on-3 play and team league play. All campers will receive a reversible jersey and a game ticket for next year’s season.

We teach the same fundamentals and techniques that have made our players champions.

I hope you will be able to join us this summer. Feel free to contact me with any questions.

Quandt Fieldhouse and Berg Gym will all be utilized during the camp sessions.
